### Career

since 2022	Lecturer, Distance University Hagen, Theoretical Philosophy
2023	Research Associate, cna-project, University Bergen (Norway)
since 2014	Associate Professor, Humboldt University Berlin, Philosophy of Science and Nature
2010 - 2012	Professor, Humboldt University Berlin, Chair of Philosophy of Science and Nature
2009	SNF-Fellowship for Advanced Researcher, Carnegie Mellon University, Pittsburgh, USA
2008	Habilitation, University Berne, Venia Docendi in Philosophy
2008	SNF-Fellowship for Advanced Researcher, Kopernikus University, Torun, Poland
2007	SNF-Fellowship for Advanced Researcher, University Regensburg
2005 - 2006	Junior Professor (Oberassistent), University Berne, Switzerland, Theoretical Philosophy
1999 - 2005	Assistant Professor, University, Berne, Philosophy, History and Philosophy of Sciences at two Faculties
1999	Dissertation in Philosophy, University Hamburg
1996 - 1999	Research and Teaching Assistant, University, Hamburg
1995 - 1996	Research Fellow, University Hamburg
1994 - 1996	Scientific Assistant, University Hamburg

### Habilitation and Dissertation

2008	Habilitation, "New Logic", University Berne, Faculty of Humanities Habilitation Colloquium "Truth – just an empty word?", inaugural lecture "Inverted Spectra – a challenge for the Newtonian"
------	---

1999 Dissertation, "Wittgenstein's Physicalism", University Hamburg, Department of Philosophy and Social Sciences, summa cum laude

---

## External Funding

New Logic SNF-Scholarship for Advanced Researchers, Research Fellower in Pittsburgh (USA), Torun (Poland), Regensburg, diverse publications and Habilitation

VILOLA Virtuuell Logic Laboratory, development, programming of logic tools, teaching of the web-based, interactive course "Logic with exercises", financed by the Swiss National Fond, published by Ontos

Edition of the Tractatus Leadership of the SNF-Project "Wittgenstein's Logisch-Philosophische Abhandlung", proposal, correspondence, rights, archival work, supervision, financed by the Swiss National Fond, published by Springer

Edition of Engelmann Leadership of the project "Paul Engelmann's Psychologie graphisch dargestellt", proposal, correspondence, supervision, financed by the Swiss National Fond and the Foundation of the University Berne, published by Springer

---

## Further Academic Activities

Panel member RCN (Research Council Norway) for the evaluation of Philosophy 2015-2019, 2023

Reviewer *Journal of Logic and Computation, Erkenntnis, History and Philosophy of Logic, Philosophia Mathematica, Facta Philosophica, Journal for General Philosophy of Science, The Journal of Philosophy, Synthese, Analysis, Grazer Philosophische Studien, Argument, Logique et Analyse, Philosophical Quarterly, DFG, FWF, SNF, RCN* and others

HPS Cofounder of the subject History and Philosophy of Sciences at the Faculty of Sciences and the Faculty of Humanities in Berne.

Conference Organizer of Several Conferences, e.g. on Logic, Formalization, Philosophy and Computation

Berne Studies Editor of the *Berne Studies in the History and Philosophy of Science*.

Talks More than 40 invited talks all over the World.

Edition Research Associate for the German-English Edition of Wittgenstein's Writings on Logic and Mathematics

---

## Teaching

Areas Theoretical Philosophy: Logic, History and Philosophy of Sciences, Philosophy of Language, Epistemology, Analytical Philosophy, History of Philosophy

Courses I taught more than 70 lectures, seminars, tutorials for all degrees (BA, MA, Phd) at Hagen, Berlin, Torun, Berne and Hamburg.

Awards My lecture "Proof Theory" (2016) was nominated for the Bologna-Award for excellent teaching at the Humboldt University Berlin 2016; my seminary "Automated Reasoning" was nominated for the best course of the faculty 2020.

E-learning I developed e-learning courses in logic and causal reasoning, cf.
